Thank You for Registering for the 2011 October Classic!

Your participation in this event supports the Ojai Valley Community Hospital's mission of providing excellent healthcare for our entire community. You can help us reach our goal by encouraging your family, friends and colleagues to sponsor your 5k or 10k walk/run. Participants with more than $100 in sponsorships will be entered into a special drawing and an award will be given for the walker/runner who received the most donations for the race.

Please use the form below to record the donations you collect. Be sure to write the participant's name on the form and bring the form, along with cash or checks (made payable to **OVCHF**) to the registration/check-in table the morning of the event.

Every dollar makes a difference! Whether you set a goal of $100, $500 or even more— We want to **THANK YOU** in advance for helping to make this the most successful October Classic to date!

Participant Name _____ **October Classic—Saturday, October 1, 2011 5k/10k**
